WHO WE ARE

About IL-Salotto

IL-Salotto was established in Egypt **in 2015 as an Italian–Egyptian gate** connecting designers with high-end furniture brands. Today, we are one of Egypt's leading importers and agents for the industry's most significant names.

We continue to expand our supplier network, and manufacture our own upholstery, wooden claddings and accessories locally to support projects end-to-end.

Through our partnership **with IL-Salotto L.L.C-FZ in the UAE**, we now serve the Gulf region with a dedicated presence in Dubai.
